

- **Certified Service-Disabled Veteran-Owned Small Business (SDVOSB)**
- **Small Disadvantaged Business**
- **Minority Owned Business**
- **SBA Certified 8(a)**

**CAGE:** 9NP89

**UEI:** QECUH3J9AHY5

**NAICS Codes:** 541511, 541512, 541513, 541519, 541430, 518210, 541715, 541990, 541330, 541611, 541612, 541613, 541618, 541690, 611420

### **Innovative Cybersecurity**

- Risk Management Framework (RMF) Accreditation for large networks and systems
- Achieved continuous ATOs repeatedly
- "Excellent" ratings on multiple Command Cyber Readiness Inspections (CCRIs)
- Automation of 85% of risk management activities for faster time to value for critical business systems

### **Infrastructure IT Automation**

- Streamlines Business Processes across the enterprise
- Accelerated virtualization and improved operational agility
- Lower overall risk to operation with reduced costs
- Higher productivity and increased performance
- Custom automation and orchestration
- Improved software code and optimized resource management

### **Data-Driven Enterprise Analytics**

- Enables informed decision-making and innovation across organization
- Identifies trends and behavior patterns for forecasting future trends
- Enables real time performance monitoring
- Reduced data privacy risks
- Improved data accuracy and data security
- Improved scalability and collaboration across organizations
- Extract, Transform, and Load (ETL) techniques reduced complex log files and provided instant feedback to users

### **Rapid Application Development**

- Implemented a Rapid Application Development (RAD) methodology
- Quicker project turnaround and adaptability to changing requirements
- Earlier detection / resolution of issues
- Reduced overall application development time and costs
- Improvements in development cycles
- Efficient and flexible software development process
- Reuse of code, templates, tools, and processes to streamline delivery
- Continuous customer feedback through prototyping

### **Government Clients**

- Defense Health Agency (DHA)
- Department of Justice (DOJ)
- Department of Veterans Affairs (VA)
- Naval Information Warfare Center (NIWC)
- Defense Contract Management Agency (DCMA)
- United States Department of Agriculture (USDA)
- TX Department of Transportation (TXDOT)
- TX Health & Human Services (HHSC)
- Education Service Center of Texas (ESCriI)
- United States Air Force
- United States Army
